SAN ANTONIO FC 2022 MATCH NOTES

TEAM NOTABLES

Still on Top: San Antonio FC leads the USL Championship with 57 points behind an 18-4-3 record. The 18 wins are the most in the league, with the team's +22 goal differential the best in the Western Conference.

Trophy Hunting: San Antonio FC is just three points away from clinching the team's third-straight trip to the postseason, and can do so Saturday with a win, or points dropped from Monterey Bay F.C., Phoenix Rising FC and Oakland Roots SC.

Additionally, SAFC leads in the hunt for the Copa Tejas Shield, edging out Austin FC of MLS in points per game at 2.28 to 1.85.

Chasing (Club) History: San Antonio has already set a new club record for wins in a single season with 18, with 9 still to play. The team's 57 points are the second-most in club history, trailing the all-time record (62), set in 2017, by just five points.

Chasing (USL) History: SAFC's win total is already just two wins short of the fifth-most in USL Championship history, and the team is already the fastest to 50 points in league history. League records for wins (24) and points (78) are both within reach as well.

Road Warriors: San Antonio FC has been strong on the road this season, going 10-3-0 and including six clean sheets and four 1-0 victories.

The road win total is the most in club history, and tied for the fifth-most in a season in USL Championship history. New York Red Bulls II currently hold the league record with 13 in 2016. Another road win would bring the total to 11, tied for the second-most ever.

Mitchell for MVP: Taintor has been a force in 2022. The defender has scored a career-high five times, as well as an assist. Defensively, Taintor is second on the team in clearances (95) and leads in interceptions (54) and blocks (21). Last week, Taintor's goal in stoppage time leveled the score in a 2-2 draw.

Taintor has started all but one USL Championship match this season, contributing to 11 SAFC shutouts, and earning six appearances on the USL Championship's Team of the Week.

Shutting Down Scorers: The San Antonio defense has dominated opponents, with the club leading the Western Conference in goals conceded (21) and clean sheets (12). The defense has made life easy on SAFC keepers, with the squad limiting opponents to 5 or fewer shots on target in all but three matches this season.

Farr and Away the Best: SAFC goalkeeper Jordan Farr has been electric this season. In 22 starts, Farr is second in the league and tops in the Western Conference in clean sheets with 10*. Farr's 55 saves sit fourth in the USL Championship Western Conference, and 11th in the league.

Farr's shutout total is good for the second-most in a single season in club history, trailing only Diego Restrepo's 12 in 2017. The USL Championship record for shutouts in a single season is 15, set in 2018.

Defense into Offense: SAFC defenders have combined for eight goals on the season, led by Taintor's five. The position group has combined to assist 11 times, and appeared on the USL Championship Team of the Week a combined 12 times.

Clearly the Best: Garcia (100), Taintor (95) and Khmiri (92) are all in the top eight in the league in clearances on the season, with Garcia one of just five players in the league to have 100 or more.

Fresh Forwards: SAFC forwards Samuel Adeniran and Santiago Patiño have made a massive impact since June 11 when Patiño returned from injury and Adeniran made his club debut.

In the stretch, the duo has combined for 12 goals, becoming the first two players in club history to have braces in the same match in the 5-0 win over Atlanta.

It's the India Oven: Forward Justin Dhillon leads the team in assists with seven, a total that's tied for the third-most in club history for a single season. Dhillon is just two assists away from Billy Forbes' club record nine in 2017 and tied for the seventh-most in the league. Dhillon is also second on the team in goals with six.

Doing it Differently Each Time: San Antonio FC has opened the season with a different starting XI in each of the first 25 matches, winning 18 while using 21 different players.

Iron Man: Defender Connor Maloney is the only player to have appeared in every USL Championship match this season, racking up a team-high 2,241 minutes played. Maloney has played five different positions in the 24 starts, appearing at left and right wingback, centerback, as well as defensive and attacking midfield.

They Score, They Don't Lose: San Antonio FC has yet to lose a match this season where the club scores. The club is 18-0-3 when scoring, and a perfect 16-0-0 when scoring first and 12-0-1 when scoring multiple goals.

*For USL Championship statistical purposes, neither Farr nor Matthew Cardone were credited for the shutout on July 2 when Cardone relieved Farr in the 76th minute.

ALEN MARCINA

Alen Marcina enters his third season as the San Antonio FC head coach, and his fifth overall with the SAFC organization. Marcina served as a first team assistant coach with San Antonio FC in 2019 after previously serving as an SAFC Pro Academy Coach. Through his first two seasons at the helm in San Antonio, Marcina sports a 24-11-13 record, including back-to-back postseason appearances for the first time in club history.

2021 saw Marcina guide the team to the best season in club history. After a 14-8-10 regular season record was good for a second-place finish in the Mountain Division. In the postseason, SAFC advanced to the USL Championship Western Conference Final for the first time in club history. The club would fall to the eventual champion Orange County SC in penalty kicks.

In 2020, after being named the second head coach in team history, Marcina led the club to a 10-3-3 record and a first place finish in Group D, earning the second playoff berth in team history. The club's 11-game unbeaten streak to start the season is the second-longest in team history, and Marcina earned USL Championship Coach of the Month honors for August of 2020.

While Marcina was with the first team as an assistant coach in 2019, the players scored a club-record 62 goals and compiled a 9-2-6 home record.

The Canada native previously spent over five years as a head coach in the North American Soccer League and USL League Two, most prominently with the San Antonio Scorpions in the NASL. The 40-year-old was with the Scorpions organization for each of the four seasons in its existence, starting as an assistant coach prior to being promoted to head coach during the 2013 NASL Season. In 2014, Marcina led the Scorpions to an NASL Championship after defeating the Fort Lauderdale Strikers in the Soccer Bowl at Toyota Field.

Following his time with the Scorpions, Marcina spent part of the 2016 season as the head coach of Rayo OKC (NASL), compiling a 6-5-5 record in 16 league matches. Marcina then spent the 2018 season with the Des Moines Menace (USL League 2), during which he led the club to a regular season title with an unbeaten 13-0-1 record. Overall, Marcina has compiled a 58-39-24 record as a head coach in all competitions.

In addition to his head coaching experience, Marcina spent the 2012 and part of the 2013 NASL seasons as an assistant coach with the Scorpions under Tim Hankinson, helping to lead the team to a first-place finish in the regular season in 2012 before bowing out of the playoffs in the semifinals. Marcina took over as interim head coach in 2013 before taking over full-time prior to the start of the 2014 season.

Prior to his time as a coach, Marcina enjoyed a successful playing career in which he featured for 13 clubs across seven countries in the span of seven years, scoring 73 goals in 185 professional appearances. Playing as a striker, Marcina began his career with the Ottawa Wizards (CPSL) in 2002 before making a move to Europe, where he played for Greek powerhouse PAOK Thessaloniki as well as clubs in Iceland, Germany, Denmark, and New Zealand before returning to play in the United States and Canada. Marcina officially retired from playing professionally in 2010.

He currently resides in San Antonio with his wife Melissa and two children.
